Subject: Union Initiation Update

Kia ora Mike,

I note Willie has not responded to my request to respond to my request for a hui.

In terms of the initiation for bargaining for a union collective agreement I acknowledge your decision to refuse to participate and Willie's action in trespassing myself and any representatives of One Union.

Given the several other matters before us, we will put the initiation matter on hold for now. We will advise you when that changes.

Nga mihi

Matt McCarten
