Tania made it pretty clear on Friday (without saying so) that she is going nowhere, that she doesn't accept the feedback - and the problem is with managers.

- There is a problem, not NB with her but the managers.

So so disappointing.

✈ We are now paying the price for speaking up.... getting all sorts of passive aggressive behaviour.

Not too sure where we go from here, but unfortunately the plan did not work.. she hasn't spoken to us today or formally let us know her position. She is just acting like nothing happened. ...
